Tamil Nadu Housing and Habitat Development Project

Loan No. : IBRD – 9094

Project ID: P168590

Assignment Title: Procurement of 2 No's of Environmental Specialists for implementation of Environment Management Framework at TNUHDB circle level for Project Monitoring Unit, TNUHDB (World Bank financed Tamil Nadu Housing and Habitat Development Project and ADB financed Inclusive Resilient Sustainable Housing for Urban Poor Project in Tamil Nadu)

Reference No.: IN-TNSCB-291126-CS-INDV

The Tamil Nadu Urban Habitat Development Board (TNUHDB) is implementing the Tamil Nadu Housing and Habitat Development Project financed by the World Bank and intends to apply part of the proceeds for consulting services. The TNUHDB is also currently preparing the Inclusive Resilient Sustainable Housing for Urban Poor Project in Tamil Nadu to be financed by the Asian Development Bank.

The consulting services ("the Services") include the following general provisions:

- 1) To support the PMU in preparing and/or updating, reviewing, and finalizing safeguard documents (including but not limited to) EMF, environmental impact assessment (EIA), environmental management plans (EMP) safeguards compliance report, time bound environmental safeguards corrective action plans and environmental audits of the proposed project in line with World Bank requirements.
- 2) To Identify, select and screen project site in compliance with the site selection criteria as stipulated in the Resilient Urban Design Framework [RUDF] and List of land parcel to be avoided as stipulated in EMF.
- 3) To conduct regular site visits for overseeing compliance with environmental safeguards.
- 4) To work closely with design teams to include environmental considerations in subproject location, design and technical specifications.
- 5) To Identify and obtain statutory environmental clearance/ permissions/ approvals required for subprojects.
- 6) To include standards/conditions, if any, stipulated in regulatory clearances, consents in the subproject detailed design.

- 7) To conduct environmental baseline surveys including assessment of hazards and risks the projects may pose to the environment and people.
- 8) To Prepare site specific EMPs or environmental due diligence report (DDR), as required by country's environmental legal frameworks and World Bank's Environment & Social Framework [ESF], and submit to PMU for approval.
- 9) To Update site specific EMPs to reflect any changes in project during detail design / implementation;
- 10) To calculate and provide to relevant team members the indicative costs to implement package-wise EMPs, environmental monitoring programs, awareness programs, etc
- 11) To ensure that relevant provisions of the EMP are fully included in tender and contract documents (for all contracts, include and the site specific EMP in bids and relevant costs and clauses are included in the contract and bill of quantities).
- 12) To review and approval of the Bi-Monthly Monitoring report submitted by the Contractor to the Executive Engineer of the division concerned.
- 13) To consolidation Bi-Monthly Monitoring report, compliance for site specific EMPs by the Contractors into quarterly progress reports and submission to PMU.
- 14) To ensure implementation and compliance of EMP by contractors.
- 15) To establish GRM at divisional level; coordinate grievance redress process, ensure registration, relevant records, support information dissemination, etc., and appropriate records are kept and ensure timely actions by all parties; report to PMU
- 16) To conduct training and capacity building activities (workshops, hands-on trainings, visits etc.) to contractors and field level staff in EMF and EMP implementation.
- 17) To undertake internal monitoring and supervision and record observations throughout the project preparation and implementation period; identify issues that require intervention of senior TNUHDB management in consultation with the PMU.
- 18) To ensure contractors follow their obligations as prescribed in the EMF and EMP.
- 19) To submit periodic monitoring reports to the PMU, who will then submit these to the World Bank.
- 20) To ensure adherence to with the national regulatory requirements and other safeguard requirements as per World Bank policies.

- 21) To prepare monthly implementation performance monitoring reports for TNUHDB internal management and quarterly progress / monitoring reports for the World Bank; reports should clearly identify deviations in environmental performance, if any, and corrective and preventive actions taken or being taken.

Appointment to the post will be on contract basis. The duration of the assignment is initially for 24 calendar months from the date of award of contract and likely to be extended based on the performance.

The detailed Terms of Reference (TOR) for the assignment can be found at the following website - www.tnscb.org/procurement/ and www.tenders.tn.gov.in

The Tamil Nadu Urban Habitat Development Board, Government of Tamil Nadu now invites eligible Individual Consultants to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.
